

School-Age Camp COVID Refund Policy 2022 May 31, 2022

School-Age Day Camps

JCYS school-age day camps (North Suburban Day Camp and Big City Day Camp) run with weekly sessions. Consequently, the COVID-19 closure policies laid out for our Centers are not applicable to these camps. The following policy is designed to ease the burden to families as best as we can while still ensuring that the fixed costs of camp are covered.

If a COVID closure is required:

First week of closure

- No credits or refunds will be given for the first week of the closure.

Long-term closures

- Families will be offered the option of choosing another session, at no additional charge.
- If families do not want, or are not able, to choose an additional session, they will have the option of a credit to their account to be applied to a different JCYS program or a refund for that session.
